User Affairs of SuperMUC-NG

- Research Allocations Request Form (Online Project Proposal)
- Modification of Data of an Existing Project
- Change Password, manage project and user information (LRZ ID-Portal)
- HPC Statistic (accounting information, e.g. CPU hours)

Reporting Obligations for projects on SuperMUC-NG:

- **Status Report or Final Report**
  Status reports are due every 12 months, the final report is due 3 months after the project finished. Follow the link for requirements and template files. Use this link to Upload Status Reports and Papers.

- **Dissemination material**
  Every two years, the LRZ publishes a new edition of the book “High Performance Computing in Science and Engineering”. These books give a comprehensive overview of the many interesting projects that have been conducted on the LRZ HPC resources (HLRB-II, SuperMUC, SuperMUC-NG). Previous editions of these books are available at [http://www.lrz.de/services/compute/supermuc/magazinesbooks](http://www.lrz.de/services/compute/supermuc/magazinesbooks).

Acknowledging the resources and support provided by LRZ:

Please use the following formulation for acknowledging the resources and the support provided by LRZ:

The authors gratefully acknowledge the Gauss Centre for Supercomputing e.V. ([www.gauss-centre.eu](http://www.gauss-centre.eu)) for funding this project by providing computing time on the GCS Supercomputer SuperMUC-NG at Leibniz Supercomputing Centre ([LRZ, www.lrz.de](http://www.lrz.de)).
